## PUBLICATIONS

---

- Corrocher, N. and Cappa, E. (2020), The Role of Public Interventions in Inducing Private Climate Finance: an Empirical Analysis of the Solar Energy Sector. *Energy Policy*, 147, 111787.

## WORK EXPERIENCE

---

### Collegio Carlo Alberto

*Research Assisant, Department of Economics and Statistics*

**Turin, Italy**

*May - September 2020*

- I have assisted prof. Luciano (Collegio Carlo Alberto) and prof. Rochet (University of Geneva and Swiss Finance Institute) with their research on the determinants of insurance premiums' cyclicity

### Action Institute

*Internship in Research for Public Policy Proposals*

**Milan, Italy**

*December 2018 - June 2019*

- The internship allowed me to gain direct exposure to the operation and management of a think-tank, work in a small team of peers and receive periodic feedbacks from worldwide experts. I collaborated in research projects on health, fintech and gender gap, conducting quantitative and qualitative research and contributing to the production of research papers.

## GRANTS

---
